### TO WHOM SO EVER IT MAY CONCERN

This is to certify that **M/s. Voltech Products and Services (U) Ltd**, has carried out **185 Nos. of Protection Relays Configuring and Testing activities** at our factory in Jinja, Uganda in the month of May 2016.

**OUR P.O. NO & DATE : 8000001170 and dated 14.04.2016**

**Duration of Testing Activity : From 01.05.2016 to 25.05.2016**

During the execution of the job, their Engineer Mr. M. Yuvaraj has put dedicated efforts in completing the work successfully within the scheduled shutdown period. Their Engineer has shown good conduct, coordination, punctuality and sincere during the execution of the job.

Voltech completed the Protection relays configuration and testing in a systematic and professional manner. We are extremely happy with their performance and we wish them success in their other endeavors.
