Conditions of Registration

1. Registered firms are to abide by the General Conditions of contracts contained in DGS&D-68 (revised and DGS&D-1001 from time to time.
2. It is obligatory on the part of the registered firms to furnish performance statement in format prescribed in the Application Form every year indicating all orders placed on them.
3. Registered firms are required to keep Registering Authority informed about the changes in any of the particulars furnished by them in their application or in their product specification or discontinuation of production of any item for which they stand registered. This intimation is to be given within a period of 15 days from the date of such change.
4. Registered firms are required to furnish all the documents having specific validity periods like BIS license, lease agreement, agreement with the principal/manufactures to registering authority as and when they become due. Separate application shall be made for such unit, where firm has more than one manufacturing units. Requests for change in the office of a firm and/or their office address should be addressed to the Registration office/centre who granted the documentary evidence. In the event of any change in the constitution of the firm or in the location of their manufacturing works, the registration with DGS&D shall lapse. The firm should surrender the original registration certificate in such cases and apply for registration afresh.
5. In cases where stores are manufactured by a firm other than the supplier, the manufacturer has given a back up warranty for the stores supplied. It will be responsibility of the supplier/manufacturer (both in case they are different) to ensure availability of spares for at least period of 7 years after the date of supply.
6. All registered firms are expected to maintain absolute integrity, follow a decent standard of business ethics and do nothing unbecoming of a registered supplier.
7. Fresh application with prescribed fee shall be required to be made after expiry of previous registration or for seeking additional registration/change of specification.
8. DGS&D registration is one of the requirements for the suppliers to participate in DGS&D tenders. The tenders may stipulate other requirements/eligibility criteria which are also required to be complied with.
9. The registration on the approved list does not guarantee award of any contract. In their quotation against tenders, registered firms are to quote their registration number, along with clear statement that the tenderer is registered for that particular store with DGS&D.
10. In all future correspondence with the Registration Branch/Registering Authority of DGS&D, approved vendors are always required to quote the Registration No. given at the top of the registration letter.
11. Whenever registered firms are required to produce copy of their registered certificate copy of the original certificate complete with all the amendments including additions/deletions is made their after shall be produced.
12. The Government has right to add/delete any of the items and to amend any of the terms and conditions included in the registration granted to the firms with effect from any date specified in the communication.
